Final Lyrics:

(Verse 1) In the jungle, where the rhythm flows, Cuddly monkey, everybody knows, Feel the bass, let it take control, Dancing under stars, it's good for the soul.

(Chorus) Cuddly monkey, feel the beat, Jumping high, moving your feet, In the night, we're feeling free, Let the music carry you and me.

(Rap 1) Yo, we're swinging through the trees, With the vibe that's sure to please, Cuddly monkey, got that groove, In this party, we're on the move. Hands up high, let's touch the sky, Feel the energy, we're flying high. Bass drops heavy, hearts in sync, Dance all night, don't stop to think.

(Chorus) Cuddly monkey, feel the beat, Jumping high, moving your feet, In the night, we're feeling free, Let the music carry you and me.

(Verse 2) Lights are flashing, colors collide, Cuddly monkey, come take a ride, Through the sound, we'll lose our fears, Dance together, wipe away the tears.

(Rap 2) Step to the left, now to the right, Cuddly monkey, we own the night, Feel the rhythm, let it ignite, In this moment, everything's right. From the jungle to the city lights, We're the stars, shining so bright. So let's groove, let's make it last, Cuddly monkey, we're having a blast!

(Chorus) Cuddly monkey, feel the beat, Jumping high, moving your feet, In the night, we're feeling free, Let the music carry you and me.

(Outro) Cuddly monkey, don't you see? In this dance, we're wild and free, Feel the beat, let it take you higher, Cuddly monkey, we're the fire!
