[Intro] DJ Cuddly Monkey, put your hands in the air! Feel the rhythm, feel the beat, let's take it back to the medieval street!

[Verse 1] In the castle, where the knights ride, With the banners flying high, we take pride. Dancing in the moonlight, under the stars, With the sound of the drums, we'll go far. Raise your goblets, let the mead flow, Feel the energy, let the good times grow!

[Chorus] Put your hands in the air, feel the trance, In this medieval dance, take a chance! With the beat so strong, we'll unite, In the heart of the night, everything feels right!

[Rap Section 1] Yo, gather 'round, hear the tale I tell, Of knights and ladies,  
casting a spell. With swords in hand, we're ready to fight, But tonight we dance,  
under the moonlight. From the tavern to the field, we're living free, In this  
medieval vibe, just you and me!

[Chorus] Put your hands in the air, feel the trance, In this medieval dance, take a chance! With the beat so strong, we'll unite, In the heart of the night, everything feels right!

[Rap Section 2] Step to the left, now step to the right, We're grooving together,  
it's a magical night. With the lute and the drum, we're making it loud, Join the  
celebration, come on, be proud! From the village to the castle, we're breaking the  
chains, In this Eurodance vibe, let's go insane!

[Chorus] Put your hands in the air, feel the trance, In this medieval dance, take a chance! With the beat so strong, we'll unite, In the heart of the night, everything feels right!

[Outro] DJ Cuddly Monkey, keep the party alive, In this medieval trance, we all thrive! So raise your hands high, let's make some noise, In this dance of the ages, we're all girls and boys!
