Final Lyrics:

[Verse] Medieval vibes, castle under moonlit skies, Knight's armor clinks, DJ spin and the crowd flies, Cuddly monkey on the decks, beats electrify, Bass thumps hard, echo through the battle cries.

[Bridge] Torch lit night, shadows dance on the wall, Chivalry remixed, hear the trumpet call, Bards tell tales while the synths enthrall, Time-travel groove, let the digital stall.

[Chorus] Put your hands in the air, feel the medieval flair, Ancient rhythms, modern beats everywhere, Dance with dragons, knights with crowns rare, Party in the past, but the future's fair.

[Verse 2] In the jousting arena, techno nights gleam, Horse hooves stomp, matching the dream, Cyber bardic tales, neon lights beam, Dancing in the ages, history re-stream.

[Bridge] Scrolls of old, unfold in the groove, Renaissance raving, armored hearts move, High-tech heraldry in the air, we prove, Echoing the past, but the sound's improved.

[Chorus] Put your hands in the air, feel the medieval flair, Ancient rhythms, modern beats everywhere, Dance with dragons, knights with crowns rare, Party in the past, but the future's fair.
