Final Lyrics:

[Intro] (Spoken) "Are you ready to dance? Let's go!"

[Verse 1] Feel the rhythm, feel the beat, DJ Cuddly Monkey, can't stay in your seat. Lights are flashing, bodies move, In this moment, we find our groove.

[Chorus] Dance, dance, let the music take control, Lose yourself, let it fill your soul. Sweat it out, feel the energy rise, Under the stars, we'll touch the skies.

[Rap Section 1] Yo, we're vibin' in the club, can you feel that heat? DJ Cuddly Monkey, bringing that beat. Hands in the air, let's raise the roof, When the bass drops, we're living proof. From dusk till dawn, we'll never stop, In this trance, we're on top!

[Chorus] Dance, dance, let the music take control, Lose yourself, let it fill your soul. Sweat it out, feel the energy rise, Under the stars, we'll touch the skies.

[Verse 2] Heartbeat racing, lost in the sound, With every move, we're breaking ground. Feel the magic, let it ignite, DJ Cuddly Monkey, we're dancing all night.

[Rap Section 2] Step to the left, now step to the right, We're living for the moment, everything feels right. Bass so heavy, it's shaking the floor, When we come together, we always want more. So let's keep it going, don't slow it down, In this party, we wear the crown!

[Chorus] Dance, dance, let the music take control, Lose yourself, let it fill your soul. Sweat it out, feel the energy rise, Under the stars, we'll touch the skies.

[Outro] (Spoken) "Thank you for dancing with us! Keep the energy alive!"
