Final Lyrics:

[Verse] Mirage in the desert, nights never get wetter Sand in my shoes while I'm chasing this treasure Bright lights gleam, every shadow a dream Oasis full of faces, can't escape the gleam

[Chorus] Dancing through the mirage, light becomes the night Bass shaking the ground, everything feels right Whirling dervish spins, in this ancient heat Lost inside the rhythm, feeling so complete

[Verse 2] Sunrise creeping, but we still stepping Follow that beat, knees weak, but no resting DJ Cuddly Monkey, dropping heavy artillery Voices echo loud, sounds of pure mystery

[Bridge] In this heatwave, the beat saves, our souls connect Like ancient scripts on temple walls, our moves are etched Through shifting sands, we grasp hands, singing the same tune Underneath the stars, we'll dance till the break of noon

[Chorus] Dancing through the mirage, light becomes the night Bass shaking the ground, everything feels right Whirling dervish spins, in this ancient heat Lost inside the rhythm, feeling so complete

[Verse 3] Glowing caravan, sweeping us in motion Rhythm like the tides, waves of the ocean Forgot the world outside, trapped in this illusion Desert mirage calling, eternal conclusion
