Final Lyrics:

[Verse] In the shadow of the night, beats untamed, DJ Cuddly Monkey, names in the frame. Basslines heavy like a bear, can't stay still, Rhymes flow mystic, givin' you a thrill.

[Verse 2] Echoes in the forest, where the old tales dwell, Folk melodies weave a magic spell. Trance through the trees, fireflies parade, Epic vibes surge as the memories cascade.

[Chorus] Hearts pump wild, captured by sound, Nights get electric when the moon's around. Mystic beats callin', lost in the trance, Feet hit the earth, but the mind's in a dance.

[Verse 3] Ancient whispers blend with modern groove, Folklore and techno in a mystic move. Epic duet, whispers turn to shouts, Highs and lows, rhythm's what it's about.

[Verse 4] Basslines deep dive like a ship in the night, Timeless tunes guiding, keepin' it tight. In the heart of the forest, melody's found, Epic journey starts where the beats resound.

[Chorus] Hearts pump wild, captured by sound, Nights get electric when the moon's around. Mystic beats callin', lost in the trance, Feet hit the earth, but the mind's in a dance.
