Final Lyrics:

[Verse] Through the dunes we glide, footsteps in the sand City lights a mirage,  
desert in command Bassline pulse like a heartbeat, entrancing muse Lost in the  
rhythm, hypnotic fuse

[Verse 2] Oasis dreams in the moon's soft shine DJ spins magic, crossing space  
and time Voices merge in harmony, hearts aligned Sands of time slip by, love  
intertwined

[Chorus] Dance beneath the stars, night our throne Echoes of the past, yet we  
feel so known Together forever, in this endless night Sands of time reveal, love's  
guiding light

[Verse 3] Deeper dive, into trance we sink World melts away, just us in sync Beat  
drops heavy, while our spirits soar In the desert's embrace, we want more

[Chorus] Dance beneath the stars, night our throne Echoes of the past, yet we  
feel so known Together forever, in this endless night Sands of time reveal, love's  
guiding light

[Bridge] Whispers of the wind, ancient tales unfold Promises eternal, secrets  
never told In each other's eyes, find our sacred sign Bound by music's spell,  
through sands of time
