Final Lyrics:

[Verse 1] DJ spinning magic, club's on fire Lights like dragons, we higher Bass so heavy, ground's a-quakin' Lost in rhythm, souls awaken

[Verse 2] Electronic heartbeat, monks chant Zensational vibe, can't recant Raindance on neon clouds, we float Mixed in motion, find our note

[Chorus] Feel that pulse run through your veins Euphoria tap-dance on our brains Hands up, close your eyes, embrace In this zen, scour the bass

[Rap Verse] Party's poppin', fusion lit Heart racin', beat don't quit Bounce on clouds, sonic trip One with sound, feel the grip

[Rap Verse 2] Asian strings blend, night ignites Whispers in the dark, lights so bright Bass takes over, steal our fight In this trance, pure delight

[Chorus] Feel that pulse run through your veins Euphoria tap-dance on our brains Hands up, close your eyes, embrace In this zen, scour the bass
