Final Lyrics:

[Verse] Fire in the belly, Tokyo nights, Bass drop heavy, neon lights. We vibe electric, Kyoto high, Dance floor magic, satellites fly.

[Verse 2] Silk roads merging, beats collide, Ancient whispers, modern stride. Synths and rhythms, cultures blend, Party till sunrise, no end.

[Chorus] Dance in the East, vibes increase, Rhythms from the streets, endless feast. Move your body, feel the trance, DJ Cuddly Monkey, let's dance.

[Verse 3] Bamboo beats, dragon's breath, Spin the records, no rest. Bassline booming, heart's pace, Lost in music, outer space.

[Bridge] Melodies weaving, stars align, Ancient drummers, time unwind. Mystic voices in the air, Party people everywhere.

[Chorus] Dance in the East, vibes increase, Rhythms from the streets, endless feast. Move your body, feel the trance, DJ Cuddly Monkey, let's dance.
