Final Lyrics:

Welcome to the world of Lotus Flowers, Feel the rhythm, feel the power! DJ Cuddly Monkey on the beat, Let's go!

[Vers 1 - Sängerin] In the silence, hear the call, Lotus flowers rise above it all. With every beat, we grow and rise, Reaching for the stars in the skies. Through the waters, pure and deep, In the rhythm, our souls will leap. From the roots, we find our light, In this moment, we take flight.

[Pre-Chorus - Sängerin] Lotus flowers in the air, We are free, we don't compare. In the beat, we find our soul, With every rhythm, we're whole.

[Chorus - Duett] Lotus flowers, shining bright, In the rhythm, we take flight. From the roots to the skies above, In the rhythm, we find our love. [Rap 1 - Rapper] Yo, we're blooming, rising high, Like the lotus, we touch the sky. From the mud to the light, we thrive, In the rhythm, we're alive. Bass is thumping, hearts are racing, In this moment, no time for pacing. Through the flow, through the sound, Lotus flowers all around.

[Verse 2 - Sängerin] From the petals, we unfold, In the rhythm, we are bold. The lotus blooms, the world ignites, In the music, we reach new heights. Feel the power, feel the grace, In this moment, we embrace. Through the storm, we find our way, In the lotus, we will stay.

[Pre-Chorus - Sängerin] Lotus flowers in the air, We are free, we don't compare. In the beat, we find our soul, With every rhythm, we're whole.

[Chorus - Duett] Lotus flowers, shining bright, In the rhythm, we take flight. From the roots to the skies above, In the rhythm, we find our love.

[Rap 2 - Rapper] From the East, we bring the sound, Lotus flowers all around. Rising higher, feel the heat, In the rhythm, we move our feet. Through the night, through the fire, In the music, we rise higher. In the dance, we find our way, With the lotus, we'll never sway.

[Bridge - Sängerin & Rapper] (Sängerin) From the mud, we find the grace, In the rhythm, we embrace. (Rapper) Through the flow, we make our stand, Lotus flowers, hand in hand. [Final

Chorus - Duett] Lotus flowers, shining bright, In the rhythm, we take flight. From the roots to the skies above, In the rhythm, we find our love.

[Outro - DJ Cuddly Monkey] Yeah, DJ Cuddly Monkey, bringing you the Lotus Flowers! Feel the rhythm, feel the vibe, let it bloom! This is the sound of the East, rising to the beat. Let the flowers bloom forever! (Track fades out with gentle Asian instruments and a deep electronic bass)
