Final Lyrics:

[Verse] Echoes of the samurai, slicing through them city lights, Bass kicking like a dragon in the dead of night, DJ Cuddly Monkey, spirits of Shinto, Party with the legends, Tokyo to Kyoto.

[Verse 2] Kimonos in the club, neon lights, they spark, Veins filled with rhythm, beats leaving their mark, Temples in the distance, vibes transcend the calm, Rap flows like Sake, wordplay dropping bombs.

[Chorus] Shinto spirits, dancing to the beat, Ancient souls, moving in the heat, Euro vibes, making hearts collide, Feel the trance, gonna take you on a ride.

[Bridge] Futuristic dreams with a touch of old, Stories untold, as the night unfolds, Two worlds collide, electronic and Japan, With every hit, we elevate the clan.

[Verse 3] Shrines lit up, bass shaking the floor, Ancient whispers, they want more and more, DJ spinning tales, melodies intertwine, Rap so divine, like sakura mixed with wine.

[Chorus] Shinto spirits, dancing to the beat, Ancient souls, moving in the heat, Euro vibes, making hearts collide, Feel the trance, gonna take you on a ride.
