## Final Lyrics:

(Sanfte asiatische Klänge wie Gong, Erhu und ein entspannender Synth-Bass, langsam steigend)  
Welcome to the Zen vibe, Let the rhythm calm your mind, DJ Cuddly Monkey in the mix, Let's find the flow, let's take this trip!

[Verse 1 - Sängerin] In the stillness, we find our way, Like the wind, we drift and sway. Zen atmosphere, soft and bright, In the silence, we take flight. Feel the rhythm in the air, Peaceful moments everywhere. Through the stillness, we unite, In the Zen, we find our light.

[Pre-Chorus - Sängerin] Zen atmosphere, calm and clear, In this moment, have no fear. Let the music heal your soul, Feel the rhythm take control.

[Chorus - Duett] Zen atmosphere, we're floating high, In the rhythm, we touch the sky. Peace and party, side by side, In this moment, we'll collide.

[Rap 1 - Rapper] Yo, we're in the zone, the vibe is chill, In the Zen, we're moving still. Through the silence, we ignite, In the rhythm, we take flight. Bass is deep, the vibe is free, Feel the energy, let it be. In the dance, we break the chain, Zen atmosphere, feel no pain.

[Verse 2 - Sängerin] Breathe in deep, let go of stress, In the Zen, we find our best. Like the lotus, we unfold, In the rhythm, we are bold. Feel the calm, feel the peace, In the moment, we release. Through the stillness, we will rise, Zen atmosphere, we touch the skies.

[Pre-Chorus - Sängerin] Zen atmosphere, calm and clear, In this moment, have no fear. Let the music heal your soul, Feel the rhythm take control.

[Chorus - Duett] Zen atmosphere, we're floating high, In the rhythm, we touch the sky. Peace and party, side by side, In this moment, we'll collide.

[Rap 2 - Rapper] On this wave, we're feeling light, In the Zen, we're reaching heights. Bass is flowing, heartbeats slow, In the rhythm, let it grow. From the East, the vibes are pure, In the dance, we find the cure. Through the peace, we find the sound, Zen atmosphere, all around.

[Bridge - Sängerin & Rapper] (Sängerin) In the stillness, we feel the flow, In the Zen, we let it go. (Rapper) Through the calm, we break the mold, Zen atmosphere, pure and bold. [Final Chorus - Duett] Zen atmosphere, we're floating high, In the rhythm, we touch the sky. Peace and party, side by side, In this moment, we'll collide.

[Outro - DJ Cuddly Monkey] Yeah, yeah, you feel that Zen vibe? DJ Cuddly Monkey taking you higher, Let the rhythm guide your soul, Feel the peace, let the party roll! (Track fades out with calming sounds of water, soft chimes, and the bass slowly fading into the peaceful atmosphere)
