

Legal Notice on Authorship

This document serves as legal proof of authorship in accordance with the German Copyright Act (UrhG) and is part of the song certificates for music, lyrics, and creative contributions created with the assistance of AI tools.

Relevant legal foundations (UrhG - German Copyright Act):

§ 2 UrhG - Protected works

Music and lyrics are protected under copyright law if they are personal intellectual creations.

§ 7 UrhG - Author is the creator of the work

The person who creates a work is considered the author - even when using AI tools, as long as the creative control lies with the human.

§ 8 UrhG - Joint authorship

In the case of collaborative creation: anyone making a significant creative contribution is considered a co-author.

§ 10 UrhG - Presumption of authorship

The name mentioned in a work or certificate is presumed to be the author - unless proven otherwise.

§ 13 UrhG - Recognition of authorship

The author has the right to be named as such.

§ 31 UrhG - Granting of usage rights

When an author grants a license (e.g., a Creative Commons license), the terms of use for the work are defined.
